### **Global Crisis = Global Solution!**

Most believers have the spiritual instincts to tell them that the financial melt-down of the past month has something to do with end-times events, but many are not exactly sure how these unprecedented developments relate to prophecy.

**Regarding the new global financial crisis, European Union President Nicolas Sarkozy said, “We want a new world to come out of this.”**

Christian author Gary Kah has been studying and writing on the coming danger of one-world government for 20 years. On the Jan Markell radio show aired October 6<sup>th</sup>, 2008, he had this to say about the recent Wall Street Tsunami...

*“Once the current system has become completely undone, I believe a new system will be proposed as the solution. It will include some form of global government. **Global planners have long understood that there can’t be a new one-world system until the old order has failed. The old order is failing.**”*

*“Since the U.S. government is almost as broke as the institutions it is trying to assist, won’t minds be more open now to this idea? Who is going to bail out the U.S. government when it goes broke? And it likely will. We just don’t know when. With America bogged down in so much debt, it will take a global solution to fix not just our economy but the economies of the world affected by the American meltdown. **We are one disaster away from global government.**”*

*“And the beast was allowed to wage war against God’s holy people and to overcome them. And he was given authority to rule over every tribe and people and language and nation. ... He required everyone—great and small, rich and poor, slave and free—to be given a mark on the right hand or on the forehead. And no one could buy or sell anything without that mark, which was either the name of the beast or the number representing his name... His number is 666.” - Rev 13*

Mr. Kah concluded his radio interview with these words for all Christians...

*“This needs to be a time to draw near to Jesus and to be in step with His will. Get your priorities straight. **Remove time-consuming, non-fruit-bearing clutter from your life. Choose to be an instrument for God. Be committed and dedicated to His call on your life.**”*

Can you feel the tremors in the foundations of our current world system? Even so, for the people of God, there is still no need to fear! Ps. 46:1,2a reminds us that

*“God is our refuge and strength, always ready to help in times of trouble. So we will not fear, even if earthquakes come...”*

*Look up, saints, for “your redemption draweth nigh!”*
