The SIGNS OF THE TIMES!

“This Gospel Shall Be Preached...!” (Pt. 1 of 3)

-
This is the 7th edition of TST (The Signs of the Times) and for the past 7 weeks, we have been focusing on frightening politics and dangerous weather. It can often seem as though *all of the signs of His coming must be fearful and dangerous!* Truthfully, many are! Yet there is **one** that is thrilling to all saints everywhere! It is the *only end-times prophecy that we ourselves can help to bring about!* Even more exciting is that, by working to do so, **we may even see the Rapture sooner!**

In Mt. 24:14, Jesus said...

“And the Good News about the Kingdom will be preached throughout the whole world, so that all nations will hear it; and then, finally, the end will come.”

According to these words of Christ, the farther the Gospel of Jesus Christ goes out into all the world, the nearer we are to the Lord's return!! So the compelling question before us is this...

“How close are we to fulfilling this “Great Commission?””

-
The short answer is...*much closer than ever before in the last 2000 years!!* The longer answer includes many amazing and unprecedented developments that have come about in **just the last 20 years**...here is the first of **3** of the most exciting break-throughs in world evangelism which we will be looking at over the next few weeks.

I believe each and all of these 3 phenomena to be **clear signals of the Lord's soon return for His church!**

“The Jesus Film Project”!

Visit the site. Click the link “Stories by Continent”. You will be blessed and thrilled as you realize how close we are getting to fulfilling the great commission! (PS> you can find this film in our own SBF library...)

Look up, saints, for “your redemption draweth nigh!” (Lk. 21:28)
