## **The SIGNS OF THE TIMES!**

### **“The Anti-Christ’s Temple is on the Way!”**

Jesus predicted that the Temple of His day would be destroyed and in 70 A.D., it was! But our Lord also prophesied that there would be a new temple standing by the middle of the 7-year “Tribulation” period. Paul told us why this “3<sup>rd</sup> Temple” would be so significant to end-times events when he wrote these words to the Thessalonian church in *I Thess. 2:3,4*...

“...the man of lawlessness (the Anti-Christ)...will position himself in the temple of God, claiming that he himself is God.”

Jesus’ warning to the future believing Jewish remnant of the Tribulation time was even stronger...

“The time will come when you will see what Daniel the prophet spoke about (Dan. 9:26,7) the sacrilegious object that causes desecration standing in the Holy Place (the temple) - reader, pay attention! - Then those in Judea must flee to the hills.” (*Mt. 24:15,16*)

**But could another temple actually rise again in Jerusalem? It can and it will...SOON!**

One of the most amazing signs of the times today is seen in the ambitious plans of several Jewish organizations to rebuild the Great Temple in Jerusalem! If you visit [www.templemount.org](http://www.templemount.org) or [www.thirdtemple.org](http://www.thirdtemple.org), you can view actual photos of golden menorahs (candelabras) and even implements of animal sacrifice which these groups have already built, following strict biblical regulations for their creation! Last month, a brother alerted me to an Internet article dated 7-07-08 which has added still another fascinating chapter to this ongoing story...

**On Sale Now in Jerusalem: Priestly Garments By Matti Friedman, AP Mon. Jul 7, 2008**

“The Temple Institute and similarly-minded believers think those modern priests will soon have to resume the rituals of their ancestors in a rebuilt temple, and that by preparing their garments they are bringing that day closer. ‘The light of God is coming back, and it’s happening before our eyes,’ Glick said.” (Temple Institute’s director, Yehuda Glick).
