The SIGNS OF THE TIMES!

“This Gospel Shall Be Preached...!” (Pt. 3 of 3)

-
As we have been saying these past 3 issues of TST, the farther the Gospel of Jesus Christ goes out into all the world, the nearer we are to the Lord's return!! So the question we've been asking these past weeks is this...

“How close are we to fulfilling this “Great Commission?””

-
Here is the last of 3 of the most exciting recent break-throughs in world evangelism which I believe to be *clear signals of the Lord's soon return for His church!*

24/7 Gospel Broadcasts throughout the world and even in the land of Israel !!

-
During the 1990s, CBN, the largest Christian broadcasting network in the world began to go global.

Now, “... CBNWorldReach operates in more than 50 countries and has broadcasted evangelistic TV programs in 89 languages reaching more than 230 countries and territories.”

As of March of 2003, Daystar Christian Broadcasting Company (the 2nd largest) could also be viewed on satellite TV “... covering the entire footprint of the world reaching over 200 countries.” www.daystar.com/about

-
Then, in January of **2007**, Daystar received permission from the Israeli government to broadcast Christian television into that country 24/7 for the very **first time in history!** A spokesman for Daystar exclaimed...

-
“This is a first. Never before has the nation of Israel granted a license for a 100% Christian channel to broadcast into all of Israel ... The message of the Gospel will now be going into every home in Israel 24 hours per day, 7 days per week.”

How close are we to the end? The news reported here in these last 3 issues indicates that **the Great Commission has almost been completed!**

“And the Good News about the Kingdom will be preached throughout the whole world, so that all nations will hear it; and then, finally, the end will come.”

So, as always, saints, look up, *for “your redemption draweth nigh!”* (Lk. 21:28)
